Issues To Be Discussed – Continued

Brief Description of Argument to be Presented:

The Applicant respectfully submits that the cited art does not teach, suggest, motivate, or otherwise obviate **interactively displaying and rating** at least one string of content, **streaming** the at least one string of content **in real-time, separating each** at least one **string of content into a plurality of segments having a corresponding plurality of in-and-out points**, receiving a vote on each segment of the plurality of segments of each at least one string of content, wherein the vote reflects the quality of each segment of the plurality of segments of each at least one string of content, thereby **providing a rating value for establishing a quantifiable significance corresponding to the plurality of in-and-out points**, and **updating the profile information** associated with each segment of the plurality of segments of each at least one string of content **to reflect the vote using the rating value**.
